

Dear USAID Acting Administrator John Barsa and USAID Senior Leadership,

Over 13,000 people have signed a petition urging you to restore full humanitarian aid to Yemen.

Here is the petition they signed:

"We urge you to lift the suspension of humanitarian aid to Yemeni civilians.

Yemenis have already been devastated by years of war, including thousands of airstrikes by Saudi Arabia's dictatorship, often using U.S. weapons. Now the Coronavirus threatens to bring even more suffering to the Yemeni people.

Please lift the suspension and allow humanitarian aid to all of Yemen's civilians."

Please see below for the full list of petition signers.

Thank you,

Sunjeev Bery

Executive Director, Freedom Forward
